

TAP BEERS

Milwaukee Brewing Outboard Cream Ale 5.0% ABV: Mimicking European light lagers, the Cream Ale is brewed utilizing the top fermenting Ale yeast resulting in a more complex flavor and nose. Cream ales traditionally are brewed with a blend of malted barley and corn grits for a light body and golden straw color. A very slight hop presence helps round out this simple but refreshing beer.

3 Sheeps Chaos Pattern Hazy IPA 6.5% ABV: Delicious hazy IPA brewed for every day drinking. It's the kind of beer that ticks all of the boxes when you want to enjoy a hazy IPA or two, but don't really want to crack open that hard-to-find, premium priced IPA that you spent 2 days tracking down. Chaos Pattern has tons of tropical fruit and citrus flavors, a soft, luxurious mouthfeel and none of that "should I save this beer to share it with my friends" guilt. It's so good, you may have trouble keeping your fridge stocked.

Pine Pointe Pilsner by 3 Sheeps 5.2% ABV: Our house brewed beer by 3 Sheeps is an easy drinking Pilsner Lager with moderate notes of lemon with fantastic body that's creamy, soft and smooth. The Midwest has a long legacy of lagers, and 3 Sheeps Pils is their tip of the hat to that legacy. It's a beer our ancestors would be proud to call Midwestern.

Founders Centennial IPA India Pale Ale 7.2% ABV: Get ready to bask in the glory of the frothy head's floral bouquet. Relish the citrus accents from the abundance of dry hopping. This one's sweet, yet balanced. Malty undertones shake hands with the hop character for a finish that never turns too bitter.

Ole Smoky Moonshine Punch 40 to 80 Proof: Ask your server for the current flavor of the week.

Sawmill Cheeky Bugger English Special 5.2% ABV: Whether you're a jolly fellow or cheeky bugger we hope you enjoy our interpretation of an English Special Bitter. We used proper imported malt, hops and yeast to create something more English than beans on toast for breakfast.

Downeast Maple Waffle 5% ABV: Tastes like a crispy golden Belgian waffle dripping in maple syrup. All the caramelized breakfast goodness you could hope for in a cider.

Lexington Bourbon Barrel Cocoa Porter 8.0% ABV: Kentucky® Bourbon Barrel Cocoa Porter is brewed with cocoa nibs and 100% barrel-aged to build out a rich full body porter with notes of bittersweet chocolate, roasted malts, oak, vanilla, and rounded out with a sweet toffee finish

Founders Highball Drifter 11% ABV: Call us old fashioned, but we think you're going to love this news! It's the return of Highball Drifter. Inspired by our favorite bourbon-based cocktail, this slow-sipper combines elements of caramel, spice and vanilla with subtle orange and cherry for a moderate sweetness and a warming finish.

Sawmill Cafe de Frapp-Eh White Stout with Maple 7.6% ABV: Cafe de Frapp-Eh is a sweet coffee shop inspired beer that was brewed in collaboration with Rocky Reef Brewing Company. Notes of chocolate, vanilla, coffee, and maple come through with each sip.
